the player will be taken to a screen like the following.

4). Player Activation

The final step - the player will receive an email like the following and he will be asked to activate his account. After activation, there is nothing else for the player to do. He will be registered and he will have ticked all the boxes with regard to the HKRFU regulations and privacy policy.

5). Player Activation

Once a player has activated their account they will be taken to Macoocoo.com with a confirmation that his account has been activated. The player doesn't have to take any further steps. They have been activated and will be available for a team manager to select. They can close the page at that point.

Any problems please get in touch.
